December Teacher Tip:

Hey students! Don't forget to use those asynchronous days to catch up on work, reach out to your teachers for questions, and check powerschool for your current grades and/or missing assignments!

Happy December Red Wolf Families!

It is hard to believe 2020 is almost behind us! CCMMS students, teachers, and staff have experienced an unprecedented school year. In the middle of a pandemic, we have all pulled together to make this year one full of connection (both virtual and physical), safety for our CCMMS families, and perseverance that we will all get through this together. Stay strong, stay safe, and most importantly, keep smiling!

Fun Winter Fact:

While it seems counterintuitive, Earth is actually closest to the sun in December, even though winter solstice is the shortest day of the year!
